

# City Planning & Community Investment

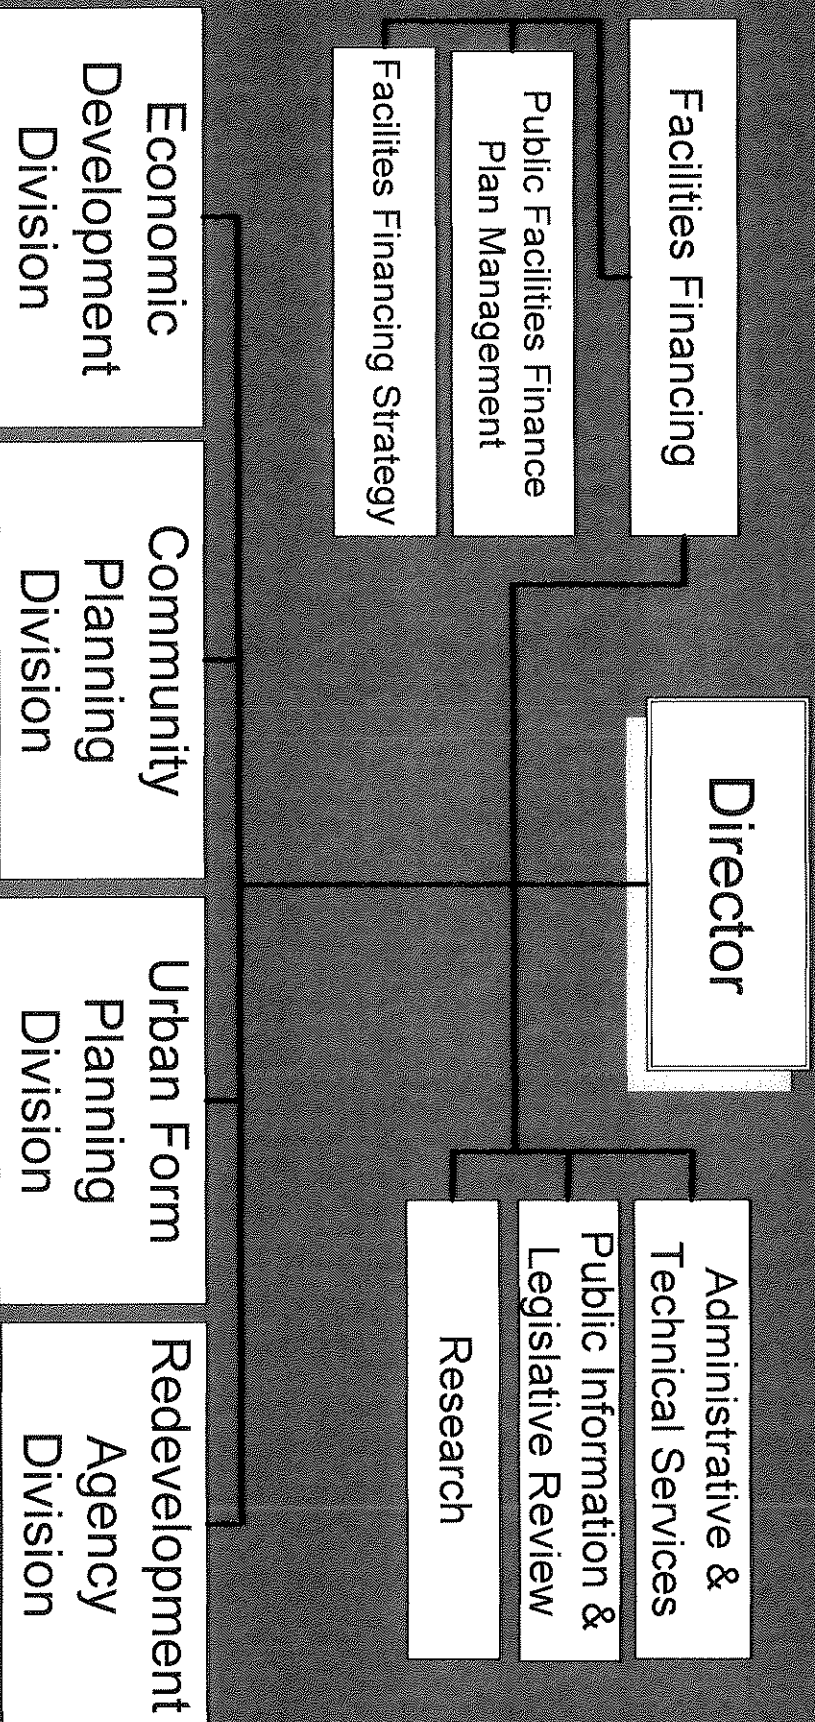

# Department Mission Statement

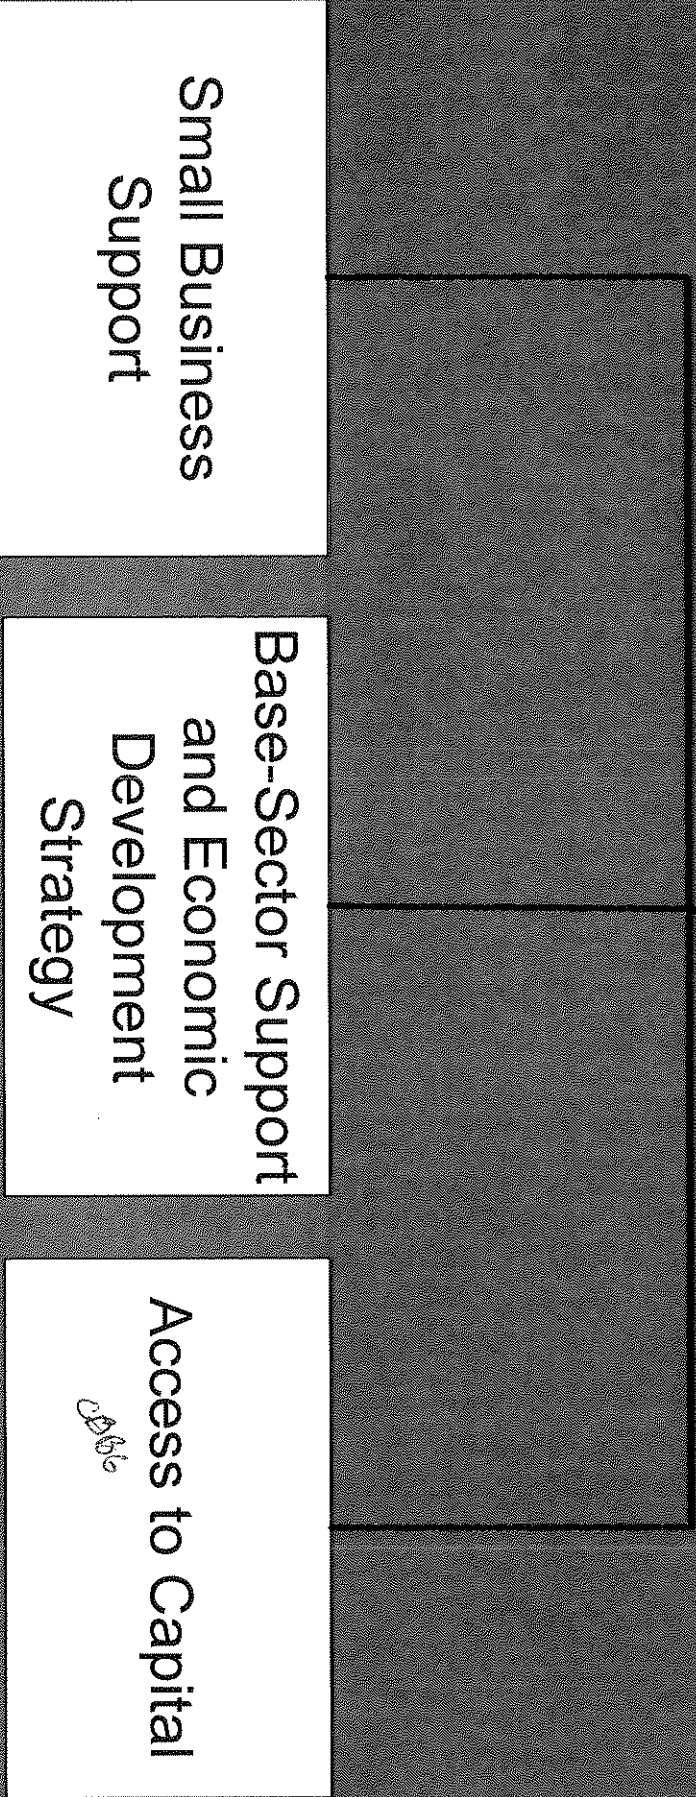

- CPCL will work with and for the citizens of San Diego, under the Mayor's direction and the City Council's policies, to formulate, plan, implement, and maintain a vision for the City's wise use of land and resources for the betterment of present and future San Diegans' economic and social wealth, aesthetics, and quality-of-life, in a manner that is sustainable and protective of the region's special natural environment.
